

Eight on the BREAK

\$\$ Money Pot \$\$

This is a voluntary activity for Members and Subs to award prize money to player(s) for making the eight ball on the BREAK during League play.

Josh DiFlorio has offered to run the Eight on the Break \$\$ Money Pot \$\$.

The entrance fee each week is \$1.00 and makes you eligible to collect the total cumulative money pot at the end of play for that week only.

Example: John Doe has never participated in the Eight on the BREAK money pot for the last 11 weeks. John Doe decides to pay his \$1.00 entrance fee on week 12, because \$93 has accumulated in the money pot. John is eligible to collect the total money pot of \$93.

To be eligible to win the money pot you must pay your weekly entrance fee to Josh DiFlorio or his assigned alternate before you start play.

The Eight on the BREAK win is defined by the PLAYERS POOL LEAGUE BY- LAW 3.

In the event of more than one Eight on the BREAK winner the total money pot will be divided evenly amongst those winners.

Any money in the pot after the final week of play will be rolled over into a new pot for next season.
